

## **AXIOM IT Solutions Pte Ltd recognised as winner of Industry SME Award at the 2020 Microsoft Singapore Partner of the Year Awards**

**Singapore, 26 January 2021** — *AXIOM IT SOLUTIONS PTE LTD* was announced as the winner of Microsoft Singapore Partner of the Year in the Industry category at the 2020 Microsoft Singapore Partner of the Year Awards on 14 January 2021. Held virtually for the first time, the annual event is a prestigious occasion to celebrate and reward Microsoft partners in Singapore who have demonstrated unique excellence in innovation, driving transformation, and competitive differentiation in the delivery of customer solutions leveraging Microsoft technology.

*AXIOM IT SOLUTIONS PTE LTD* was recognised for providing outstanding solutions and services in SME. The Singapore SME Partner of the Year Award recognizes partner excellence in building a scalable, innovative and best-in-class Microsoft Cloud solution practice focused on Small & Medium Enterprises. Partners who are nominated have demonstrated business leadership and effective engagement with Microsoft by taking advantage of the Microsoft Partner Network.

"2020 was a special year and Digital Solutions had proven to be very beneficial at this critical time. Axiom Teams Connector together with Microsoft Teams Phone System, has enabled our customers to migrate their office phone systems to the cloud, enabling business as usual and the ability to work from anywhere." says Lam Pang Ngean, Director at *AXIOM IT SOLUTIONS PTE LTD*. "Axiom PSG Surface Laptop bundle with M365 has also filled the gaps of many SMEs who were not prepared to work from home. We are glad to have contributed in this meaningful journey together with Microsoft. Thank you to Microsoft, Axiom Partners, Colleagues and Friends. We look forward to helping more SME on digital transformation in the coming years."

Awards were presented for 19 categories – the highest number presented to date – including three awards for Microsoft partners in APAC. Award finalists and winners were selected based on their solution's positive business impact, their commitment to creating exceptional customer experiences, the strategic value and high impact of their solution on the market, as well as their exemplary use of Microsoft technologies.

"In a year riddled with challenges and economic uncertainties, it is more important than ever that companies are able to innovate and digitally transform to future-proof their businesses. Partners who have worked with us to empower our customers to thrive amidst the chaos of 2020 receive due recognition, and we are pleased to congratulate *AXIOM IT SOLUTIONS PTE LTD* on being selected as the winner of Microsoft Singapore Partner of the Year in the Industry category at the 2020 Microsoft Singapore Partner of the Year Awards," said Gerald Leo, Director, Commercial Partners and Small Medium Enterprises Group, Microsoft Singapore. "*AXIOM IT SOLUTIONS PTE LTD* is an excellent example of the

# AXIOM

commitment and innovation we see in our Microsoft Singapore partner community, and we will continue to work with all our partners to bring cutting-edge solutions to complex business challenges and provide digital transformation opportunities for our customers.”
